

Mother I feel you under my feet.
Mother I feel your heartbeat (repeat).
Heyya, Heyya, Heyya, Heyya, heyya heh oh
Heyya, heyyah, heyyah heayya heah oh

Under the full moon, light we dance, spirits
Dance we dance joining, hands we dance joining
Souls rejoice.

Autumn time, red leaves fall
While the weeping sky looks overall
Demeter sadly walks the land
Her dying grasses in her hand.

Fly, fly, fly,
The leaves are leaving the branch
Cold are the winds
Winter is coming.

A woman's voice, how sweet the sound
Arising out of me
I once was still but now I sing
I'm heard and now I'm free.

Neesa, neesa, neesa
Neesa, neesa, neesa
Neesa, neesa, neesa
Gai-way-yo, Gai-way-yo

Neesa means Winter Moon

Gaiweo means creator/creation

Sure as the wind, my sisters and
Sure as the rain
Sure as the moon does shine
We will raise our voice again.

Deep peace of the quiet earth to you (repeat 3 times).
Deep peace of the running waves to you (repeat 3 times).
Deep peace of the burning fires to you (repeat 3 times).
Deep peace of the flowing air to you (repeat 3 times).
Deep peace of the Mother Moon to you (repeat 3 times).

May the Circle be open, yet unbroken
May the love of Spirit be ever in our hearts
Merry meet and merry part
And merry meet again.
