

# Burn Bright Flame Within Me

Burn bright flame with-in me, kin-dled with e-ter-nal fire,  
Of the peo-ple I do be, and the peo-ple part of me,  
All— one in man-y parts, a sin-gle fire of fla-ming hearts.

# We Are One With the Infinite Sun

We are one with the in-fin-ite sun, for  
e-ver + e-ver + e-ver. Kee ā wah tay, len-ya len-ya,  
ma ho tay, hi ah no, hi ah no, hi ah no.

# Fire Song

We can rise with the fires of free-dom  
Truth is a fire that burns our chains + we can stop the fires of de-  
struc-tion — healing is a fire run-ning thru our veins.
