Lynn – Welcomes the new women with Beth's journal writing

Cheryl – Shares story of Yule and her own spark using the sparker – passes
to next person inviting them to share – *(We said I could send the
sparklers around, but I don't think it'll work without some confusion and
talking - Let's re-think this.)*

After everyone has shared –

Lynn – lights fire – we all light our sparklers and begin sparkler dance (cd
plays music for us)

After a while

LeeAnn – sings second Owl song and we follow her inside

Jann – gives directions for magic wands, eating etc.

Group sharing of wishes – all of us say “May all your wishes come true”
while using our magic wands. *Cheryl*

LeeAnn/Lynn – celebrating our dreams coming true we toast with Power
Nectar *(do we drink outside or just go out to through the remains in the
fire?)*

Closing circle and song
